# University of Toronto School of Continuing Studies

# Let's hear from you!

**Please share in the #student-introduction channel on slack!**

- Name
- Personal pronouns (optional)
- Background (career, education, or interest)
- Reason for joining the boot camp
- One fun fact about yourself

# What We Expect

- Be on time
- Be respectful
- Be honest
- Submit assignments and projects on time
- Respond to the weekly survey
- This is a bootcamp and it is fast paced. Find a place with zero distractions to focus on the material in class and outside of class.
- Spend AT LEAST 20 hours per week practicing outside of class
- Ask for help when you need it (attend office hours, reach out to instructor or peers, request a tutor, Xpert learning assistant, AskBCS, live chat through BootCampSpot, form study group(s), etc.)

*You are  
responsible for  
your success, but  
you're not alone!*

# XPert: Our AI-powered Study Buddy!

[Xpert Information Video](#) / [Xpert FAQ](#)

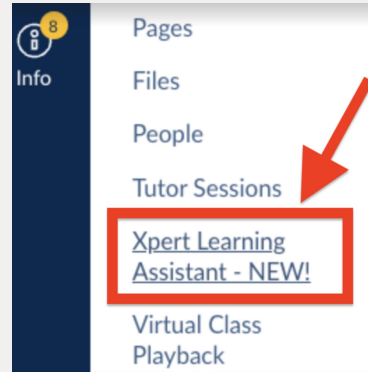

## WHAT IS IT?

Boot Camp AI Assistant specifically designed to help you with the curriculum!

- Answer questions
- Explain Concepts
- Provide examples
- Offer guidance
- Assist with debugging
- Share resources

## HOW DO I ACCESS THE XPert?

Via Bootcamp Spot (BCS)

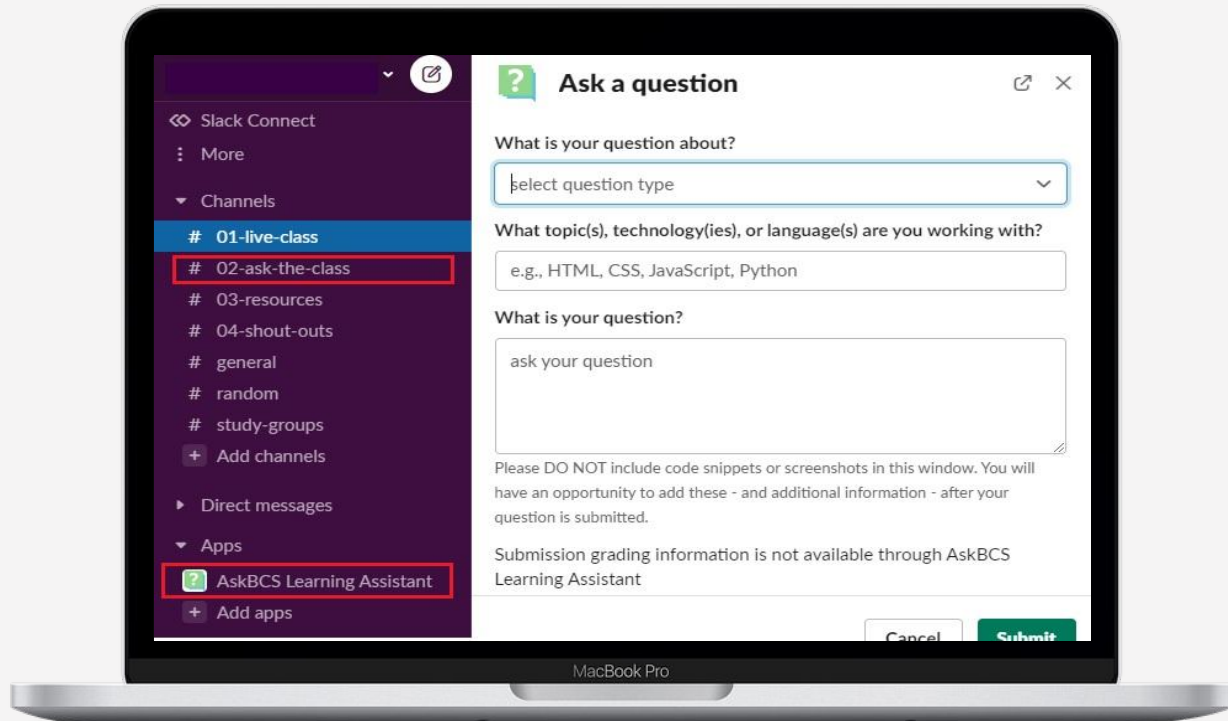

# Ask Bootcamp Spot Learning Assistants

Our team of Learning Assistants work to help you get unstuck on self-paced lessons.

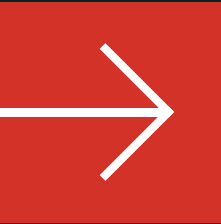

**Available:**

7 days a week

# Tips for Success

- Use a calendar (digital or physical) to plan out your weeks
- Take advantage of Office Hours + Private Tutoring
- Form study groups
- Ask questions
- Stay engaged and reduce distractions
- Arrive on time or early for office hours
- Engage on Slack throughout class
- Using a second monitor ( this is only a recommendation)
- Please do not install updates during this class. Installs for class MUST be completed outside of class time
- Read instructions and use additional resources for support
